

Association Newsletter: March 2021

Public meeting

We hope to hold a public meeting for all our members, to establish our association very soon. The meeting will allow everyone to hear how the steering committee have taken the necessary steps to put the association administration in place and to discuss our future and the plans we have to improve the graveyard.

As soon as we can legally hold such a public meeting, we will announce the date and time and look forward to welcoming you.

Statutory bodies like Historic Environment Scotland & Highland Council.

We are already in discussion with those responsible for the graveyard to further the protection of the walls and artefacts.

To all our members...

St Maelrubha's Eynort Graveyard Association's steering committee would like to express our gratitude to all our members for their patience while we prepare to work on protecting the future of the graveyard.

We had hoped to have a public meeting long before now but, unfortunately, that has been impossible. We look forward to seeing you in person as soon as we can but, until then, we wanted to let you know that we have been working behind the scenes.

Looking ahead...

We are continuing to hold virtual meetings to discuss the graveyard and its history.

There is so much to discover and discuss and we look forward to sharing this with you as we move ahead with our mission to **Preserve, Not Promote**, St Maelrubha's Eynort Graveyard.

We are looking for keen members to assist the Management Committee with duties like administration & also history recording.

If you feel that you have ideas or would like to contribute, please contact us.

Finances

Because of the ongoing pandemic, we have had difficulty in creating a bank account but we have just applied to open an account with a local bank, which will allow us to save for our activities and to service future grant funding.
